

Department/Service: Indiana Rural Health Association Board of Directors Member

Job Type: writer/researcher/publications

Location: computer and networking

Qualifications: Scholarly writing a must. Interest in organized degree and/or furthering education.

Job Description: Networking to organize information on the development of our statewide trauma system. Looking to network with those who have the ability to do organized scholarly writing to subsidize my aging nursing brains.

Salary: volunteer

How to Apply: Meredith Addison RN, MSN, CEN, FAEN
